TRIVIBRANCE™

Vibrant Manifestation ™

Release, Allow and Receive

The Vibrant Manifestation™ technique helps amplify your ability to more effortlessly attract desires and goals. It is a process that supports your innate ability to affect the quantum field and purposefully change your reality. The power behind this technique is based on:

1. The synergy between TriVibrance's Vibrant Self™ oil, Vibrant Intuition™ oil, TriVibrance's Clarity and Manifestation™ oil and the Vibrant Space™ spray.
2. The strategic placement of each oil on 5 purposeful points on the body.
3. The placement of your hands in a specific mudra position.
4. The power of your thoughts, feelings, and visualizations.

1. Shake the Vibrant Space™ and pump two sprays above your head, allowing the mist to protect this sacred space around you.
2. Shake the Vibrant Intuition™ oil, the Vibrant Self™ oil and the Clarity and Manifestation™ oil.
3. Apply the Vibrant Intuition™ oil to the 3rd eye, located in the middle of the forehead and above the junction of the eyebrows. This helps wake up your seat of intuition.
4. Apply the Vibrant Self™ oil along the heart meridian on the outside edge of the arm, starting on the side of the pinky.
5. Apply the Clarity and Manifestation™ oil to the heart space. Your heart will exude an electromagnetic field with the vibrational signature of your desire.
6. Apply the Vibrant Intuition™ oil to the tip of the left thumb.
7. Apply the Vibrant Self™ oil to the tip of the right thumb.
8. Position your hands and fingers into Dhyana Mudra. Rest your hands in your lap with your right hand lying inside and cradled on top of the left hand, palms facing up. Lightly touch the tips of the thumbs together. This mudra increases calmness, focus, and enlightenment.
9. Close your eyes and visualize your heart space and your 3rd eye lighting up.
10. Begin to visualize the scene you are attracting. Notice all the details in the scene.
11. Say a manifestation mantra (I am so excited about….!) and as you repeat it, grow a feeling of expectation and anticipation.
12. Place a soft smile on your face. Feel gratitude in your heartspace for the manifestation that is yours!
13. Notice small "mini-manifestations" as the process unfolds. This is very important. As you see little details of your visualization "show up" and you celebrate them, you increase the momentum for more to come.
14. Practice The Vibrant Manifestation™ daily.
15. As you manifest your desires, change your manifestation mantra in step 8 to encapsulate your next goal.

Have fun as you watch your new reality unfold!
